

1 1/2 HOUR FIRE/BURGLARY SAFES

The RS Series of Safe offers you both Fire and Burglary protection with enormously increased storage capacity. These units are tested at 1700 °F (927 °C) for 1 1/2 Hours with an internal temperature not exceeding 350 °F (177 °C) which is the point that paper contents will start to char. This safe provides an affordable way to secure important documents and valuables without compromising security. Every home and business should have one. If you value your important documents, jewelry or cash then protect it from both fire and theft.
